February 28, 2018

Hello Dollar Bay-Tamarack City Area School Community,

Greetings to you at the close of the second trimester. I write to share news of a change in our district. Dr. Susan Miko, who joined us as superintendent at the start of the 2016-17 school year, is now on family leave; her father, whom she had been caring for in hospice, recently passed away. We extend our condolences to the family through the days ahead. Dr. Miko's leave time will continue until her retirement on June 30.

Through the coming months, I will serve as principal and acting superintendent. I will carry out the duties of the superintendent position with the support and help of capable staff members and CCISD personnel. I extend my willingness to serve to you, and welcome conversation, questions, and ideas.

Our future continues to look bright. We celebrate our excellent students and the top-quality teachers and staff in our school who push them daily toward greater achievement. Yet again, our school was named by Bridge Magazine as an Academic State Champion, this year one of only thirty schools selected to receive this honor, based on significant student growth. Our undefeated boys' basketball team draws crowds of supporters at every game, and our high school band, for the second year in a row, just received a superior rating at District Band Festival.

I am honored to serve in this unique school district. It is a great time to be involved with and take pride in the students and happenings of Dollar Bay-Tamarack City Area Schools. Please feel welcome to stop in to school and see for yourself the great thing we've got going!

Sincerely,

Mrs. Christina Norland
