Kindergarten Registration 2019-2020

Dollar Bay-Tamarack City Area School is in the process of registering kindergarten-aged children for the 2019-2020 school year. Children who will be five years of age by September 1, 2019, are eligible to enter kindergarten. Please call 482-5800, extension 2110 to pre-register your child.

We will be having Kindergarten Experience Day on Friday, May 3. Your child will have the opportunity to spend a half hour with the current class to experience the classroom atmosphere. When you register your child, you may also schedule a time slot for your child to enjoy this experience.

More information will be mailed to you prior to May 3, providing you have called the school to sign your child up, informing you of what items you will need to bring to complete the registration process.
